WE ONLY DO ACCOUNTING

ThompsonCook

Introduction

Who We Are

- We are experts in accounting recruitment. We understand the deliverables of a finance team and we know how accounting functions are structured
- ThompsonCook was established in 2016 with a single strategy of providing high quality accounting recruitment services in Sydney & Melbourne
- In 2023, we are a team of 30+ accounting recruiters focused on one objective – accounting recruitment
- We understand there are many accounting recruitment firms in Australia - but we are the only firm that just does accounting across Australia. We believe that over time we continue to earn a reputation for providing advice that is honest and empathetic

Key Statistics

38% of our accounting searches are for contracting positions

93% placement retention rate in 2022

43% of our placements are of people who were not actively looking for a new role

1,200+ accounting searches in the past three years

What We Do Differently

- We methodically headhunt and search to identify candidates that may be suitable for our clients. Our approach is focused, discrete and professional
- We believe everybody is open to receiving a headhunt call
- We build personal relationships with the best accounting talent across Australia to ensure our clients benefit from our knowledge of people
- We provide our clients with a single point of contact for all their recruitment needs – we know our clients are busy and prefer to build a long term relationship with a single person at ThompsonCook

Our Ambition

- Our Ambition is to be recognised as the most respected accounting recruitment firm in Australia
